

## **Introduction For Scott Cantrell – 60 Seconds**

In the past ten years, more than 1100 audiences have been engaged, inspired, educated, and entertained by Scott's dynamic, high-content, and customized presentations designed to produce powerful lasting results!

Even at his young age, Scott has gathered a vast amount of experience while developing numerous presentations for corporate groups and associations. His focus on the audience combined with his creativity in delivering essential keys to success and his youthful energy make him one of the most enjoyed speakers at the many events where he presents.

Scott's states his primary goal is to bring More Focus, More Action, More Enthusiasm, & More Power to every group he is in front of. And it is those goals that empower his audiences to become more productive so they will achieve their professional and personal goals and dreams.

Scott has been featured at numerous events across the southeast including functions for Mayfield Dairy Farms, Family Brands International, the TN Christian Medical Center, Honda, the TN School Board Association, & even the South Eastern Association of Magicians.

So now open your mind, and prepare for a healthy dose of Real World Magic. Please help me in welcoming...Scott Cantrell!
